PUBLICATION AND PRINTING REQUIREMENTS

PDF artwork is the preferred format for advertisements. Files must be set up as CMYK and have CMYK or grayscale images with high resolution (at least 300 dpi), fonts embedded, and crop marks.

To achieve the best possible reproduction of full page advertisements or advertisements with bleeds, please leave a margin of 5 mm from all outside edges for elements and typesetting.

- Quarter page - 90mm (w) x 140mm (h) no bleeds
- Half page (horizontal format) - 200mm (w) x 140mm (h) no bleeds
- Half page (vertical format) - 95mm (w) x 285mm (h) no bleeds
- Full page and back cover - 210mm (w) x 297mm (h) + 5mm bleeds

CIRCULATION AND READERSHIP

The Practice Manager is the national journal of the Australian Association of Practice Management.

The Practice Manager reaches over 2,000 practices managers around Australia, as well as their practice principals and staff. These people are the decision-makers on the management and administration side of practices including general practices, dental practices, specialist practices, and allied health practices.
